Blackboard Ultra Migration: The Course Banner Maker

Blackboard Ultra Course Banner Maker: 2 Lines

The screenshot displays the Blackboard Ultra Course Banner Maker interface. At the top, a preview of the banner is shown with a dark blue background featuring a glowing blue fingerprint-like pattern. An orange square contains the text "COMM 5600". To the right, the text "Course Title" is on the first line and "Course Title More" is on the second line. Below the preview, the configuration panel includes a "Select Theme" dropdown set to "Template 1", a "Course Code" field with "COMM", a "Course No." field with "1100", and a "Course Title" section with "Line 1" set to "Course Title" and "Line 2" set to "Course Title More". A green "Download Banner" button is at the bottom left. To the right of the configuration panel is a grid of 12 thumbnail images, each with a small orange square in the top left corner, representing different banner designs.
