

Enabling Honorlock for an Exam in Blackboard

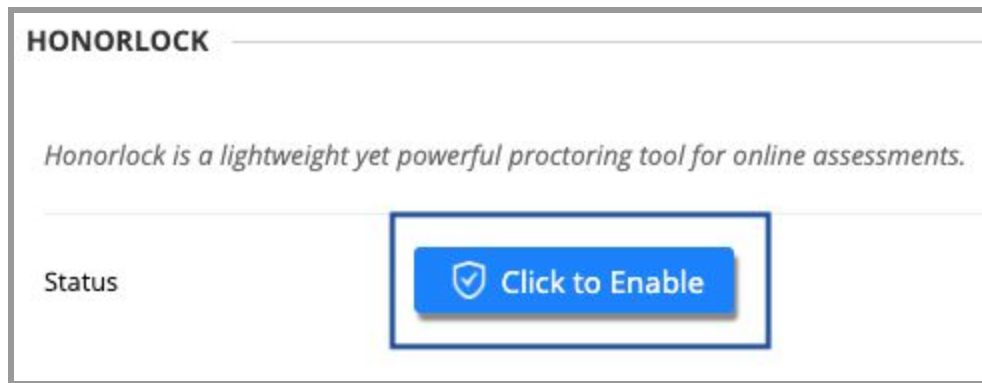

1. Navigate to the **Content** tab on the left sidebar in Blackboard.

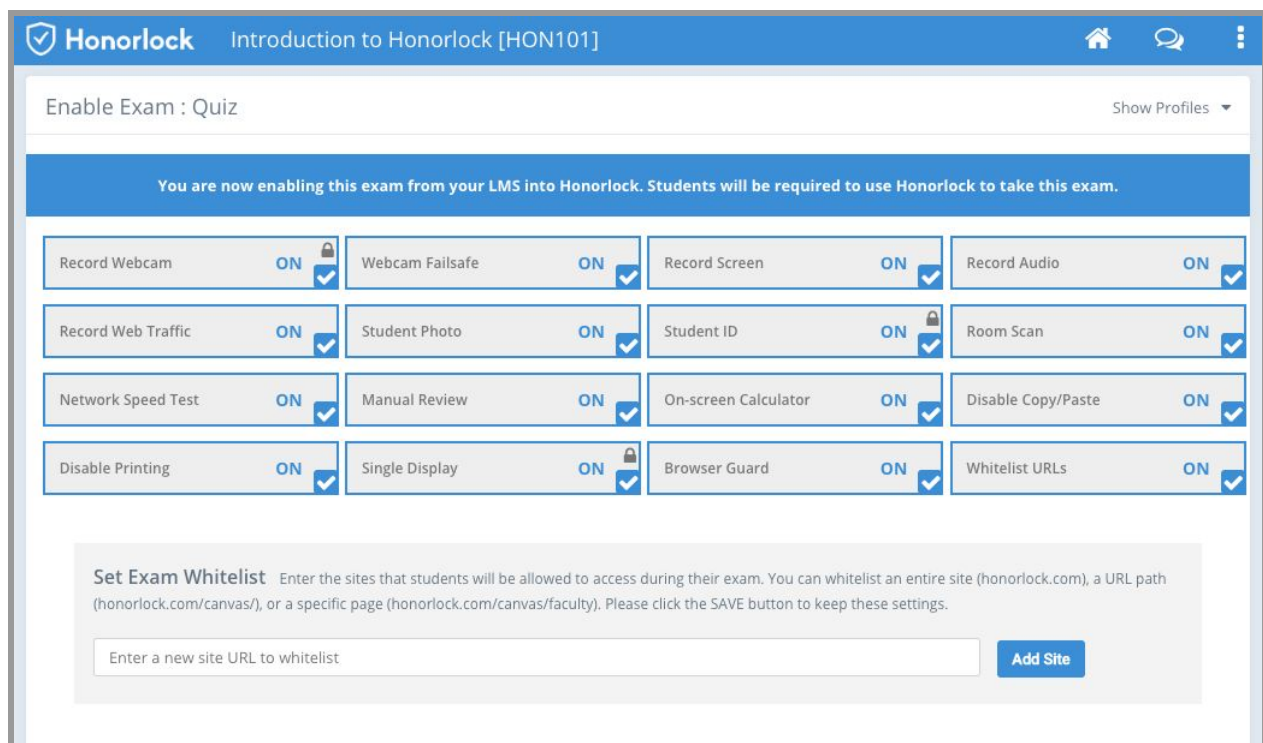

2. Next, locate the exam you want to enable and click **Edit the Test Options**. NOTE: You will need to have already created a Test in Blackboard.

3. Scroll down to the section titled **HONORLOCK** within the test options. Click on **Click to Enable**.

4. Optionally, click on any of the options to toggle them on or off.
Note: See [Explanation of Proctoring Options](#) below.

5. Provide descriptive guidelines for students to let them know exactly what is allowed and what isn't allowed on your proctored exams. Below is an example of the [Student Instructions](#). Feel free to copy and paste for yourself!

This is a CLOSED note exam. Using your e-book or textbook is NOT ALLOWED. You may use two sheets of scratch paper. You must remain in front of your computer for the duration of the exam. NO BATHROOM BREAKS. Cell phones, tablets, laptops, smart watches, and any other electronic devices are NOT PERMITTED. Failing to follow these instructions could result in a violation.

6. In addition to the student facing instructions, there is also a section for you to put in any specific notes you have for our proctors. You're also going to want to copy and paste the student facing guidelines here. This is where you can list any students that have any specific accommodations. Below is an example of the [Proctor Guidelines](#). Feel free to copy and paste for yourself!

(List student accommodations here) Example: John Doe is allowed to use a second monitor.
This is a CLOSED note exam. Using your e-book or textbook is NOT ALLOWED. You may use two sheets of scratch paper. You must remain in front of your computer for the duration of the exam. NO BATHROOM BREAKS. Cell phones, tablets, laptops, smart watches, and any other electronic devices are NOT PERMITTED. Failing to follow these instructions could result in a violation.

7. Make sure to click the blue **Save** button to save your Honorlock settings.
8. You must also click **Submit** at the bottom to save the test settings.
9. Your exam is now ready to be proctored! Exams that are Honorlock enabled will display the blue Honorlock shield.

Explanation of Proctoring Options

Feature	Feature Description	Honorlock Recommendation
Record Webcam ON 	Student's webcam will be recorded during the exam session.	<i>Recommended</i>
Webcam Failsafe ON 	If this option is enabled and the student webcam feed fails, we will not interrupt their exam session and they will essentially be able to continue unproctored.	<i>Not Recommended</i>
Record Screen ON 	Student's entire screen will be recorded throughout the exam session.	<i>Recommended</i>
Record Audio ON 	Student's audio environment will be recorded during the exam session.	<i>Recommended</i>
Record Web Traffic ON 	All internet activity will be monitored during the exam session.	<i>Recommended</i>
Student Photo ON 	During the verification process, a photo will be taken of the student's face to verify the test-taker's identity.	<i>Recommended</i>
Student ID ON 	During the verification process, a photo will be taken of the student's school ID (or other government issued ID) to verify the test-taker's name and identity.	<i>Recommended</i>
Room Scan ON 	During the verification process, students will rotate their camera 360 degrees, scanning their room and desk area to ensure no unauthorized people or materials are in the testing environment.	<i>Recommended</i>
Network Speed Test ON 	Before the verification process, have the student run a network speed test to ensure they meet the network requirements to take an Honorlock enabled exam.	<i>Recommended</i>
Manual Review ON 	Our human review proctoring staff will manually review all of the student videos and flag any suspicious behaviors and deviations from test guidelines.	<i>Note: This is an additional service. Check with your institution for availability.</i>

<div>On-screen Calculator</div> <div>ON</div> <div>✓</div>	<p>On-screen basic calculator.</p>	<p><i>Recommended When Needed</i></p>
<div>Disable Copy/Paste</div> <div>ON</div> <div>✓</div>	<p>Students will not be able to copy, paste, or right click in Canvas during the exam. This helps to prevent the unauthorized distribution of test content.</p>	<p><i>Recommended</i></p>
<div>Disable Printing</div> <div>ON</div> <div>✓</div>	<p>Students will be prevented from printing the test pages during the exam session. This helps to prevent the unauthorized distribution of test content.</p>	<p><i>Recommended</i></p>
<div>Single Display</div> <div>ON</div> <div>✓</div>	<p>Students will have to disconnect any additional displays (such as dual monitors) to ensure only one screen is in use.</p>	<p><i>Recommended</i></p>
<div>Browser Guard</div> <div>ON</div> <div>✓</div>	<p>Locks down the student's browser to ensure they cannot open new tabs, windows, or applications during the exam.</p>	<p><i>Recommended for closed book exams that don't require additional applications</i></p>
<div>Whitelist URLs</div> <div>ON</div> <div>✓</div>	<p>Allows faculty to give students permission to visit specific websites while restricting them from visiting any other website during the exam session.</p>	<p><i>Recommended</i></p>
